**Please note** if your horse/pony has been diagnosed with a condition, has undergone surgery or is recovering from injury a veterinary referral form will need to be completed. However, if you deem your horse/pony to be fit and healthy but requires a maintenance treatment to keep them in tip top condition a referral form is not required but an owner consent form is.

If your horse/pony is assessed and a problem is found that we feel needs assessing by a veterinarian we will be unable to treat; there will be a reduced call out charge of £25.00
